

PARADE ROUTE

Parade entries should enter the lot from Maiden Lane (Red Arrow)

Line-up will begin at the new boat ramp parking lot at the end of Maiden Lane (if you are participating in a first responder vehicle, contact City Hall for alternate line-up instructions). The parade line-up will make its way up Plum Street, turning right onto Poplar Street and then left onto Second Street. The parade will then take a right onto N. Walnut St/SR 56, traveling past parade spectators and finishing at Rising Star Drive.

The parade DOES NOT return to the start-up line. Please make arrangements for pick-up if necessary.

Contact City Hall at 812-438-2407 with any questions.
