Rising Sun, IN 47040

July 2022

Hello from the City of Rising Sun!

This year's Navy Bean Fall Festival will take place September 16<sup>th</sup> & 17<sup>th</sup>.

We are offering an opportunity to support the community and advertise your business while celebrating the Navy Bean Fall Festival. This year's event will be held in September and will be located down Main Street and along our beautiful Riverfront Park in downtown Rising Sun. The festival will include the traditional parade, food, rides, vendors, and family fun. As usual, there will also be delicious homemade navy bean soup and corn bread available.

This year we are offering two levels of sponsorships, although with enough interest in this opportunity we will try to increase the options for 2023. By supporting this event, you are not only helping us carry on this hometown tradition, but also giving your advertisement the potential to reach the thousands who typically attend.

We look forward to partnering with you in this exciting chance to support our community.

Thank you for your continuing support of the Navy Bean Fall Festival.

Sincerely,

City of Rising Sun
